# Introduction

Welcoming 2021 with imaginative colour, pattern and texture, Prestigious Textiles' latest selection of fabrics and wallpapers has been designed to inspire.

Drawing inspiration from exotic tropical landscapes, decorative tapestries and grand architecture, the new collections showcase luxurious printed velvets, statement embroideries, metallic jacquards and coordinating statement wallpapers, all made for on-trend interiors.

Featuring the latest addition to the PT Contract portfolio, the range caters for home and commercial interiors alike. So, whether you're longing for bold maximalism or traditional neutrals, Prestigious Textiles' 2021 offering has something to suit all interior tastes.

## Caribbean

Combining tropical landscapes and rich exotic colours, Caribbean makes a maximalist statement in all living spaces. Featuring luxurious printed velvets, embroideries and coordinating wallpapers, the collection explores the wonders of the Caribbean with cleverly camouflaged monkeys, tropical florals and colourful love birds.

## Journal

---

Inspired by the recent Arts and Crafts revival, Journal's decorative prints, jacquards, embroideries and sheers pay homage to the iconic era. Featuring bold Jacobean, stained glass-inspired damasks and a unique tapestry, the collection gives a modern twist to traditional interiors with its antique and contemporary colourways.

## Penthouse

Taking inspiration from grand architecture, Penthouse brings a boutique feel into the home with its shimmering highlights and opulent jacquards. The collection fuses traditional damasks, contemporary geometrics and classic metallics, all completed with a stunning burn-out sheer.

## Vision

The latest addition to the PT Contract portfolio, Vision combines statement geometrics, graphic linear forms and a dim out stripe in its collection of prints, jacquards and chenilles. Inspired by modern architecture, the inherently FR range offers a sophisticated look to contract settings in a palette of rich bronze, natural and amber tones.

## Bravo

---

A new collection of upholstery weight chenilles, Bravo offers a range of soft-touch fabrics in 26 on-trend colourways. From the natural tones of Limestone and Flax to the rich, warm shades of Bordeaux and Fire, Bravo is the perfect choice for upholstery, drapery and accessories in all interiors.
